Judge Mustafa Kasubhai

Do we only consider the  
breach of contract if  
there is discrimination  
based on gender stereotypes?

Jury Note B

Judge Mustafa Kasubhai

Do we only consider the  
breach of contract if  
there is discrimination  
based on gender stereotypes?

The Plaintiff's claims for breach of contract in this case are based on Defendant's alleged failure to follow its Discrimination and Harassment Policy (Exhibit 106) that led to discrimination, harassment and/or retaliation. The court refers the jury to the jury instructions and all the evidence you deem necessary to resolve this question on the ~~final~~ verdict form.
